Re: *Report Regarding Layoff of AT&T Employees in Arizona Pursuant to
Decision No. 68865 and 69964*

Dear Mr. Olea:

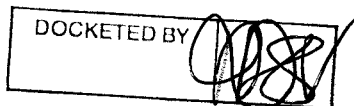

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide further information regarding four (4) AT&T employees located in Arizona that were given notice of a surplus condition. AT&T notified the Commission of this potential layoff on April 9, 2009. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoff being considered was intended to improve efficiencies and reduce business expenses as a result of a consolidation of the Mobility and wireline organizations. The proposed reduction involved four management employees in the Consumer Sales and Services Organization. In an effort to redeploy the employees within AT&T, the employees retained access to the internal AT&T job search system. One of the employees secured a different assignment within AT&T; the other three were laid off. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.
